NLF-SS-PHASE3-TP1-121817 - Test Pit 1, about 10 feet south of MW-2, about 9 feet deep
NLF-SL-PHASE3-TP1-121817 - Test Pit 1, about 2 feet south of MW-2, about 9 feet deep
NLF-SL-PHASE3-TP2-121917 - Test Pit 2, about 4 feet north of SEC MW-2, about 9 feet deep
NLF-SL-PHASE3-TP3-121917 - Test Pit 3, about 10 feet SW of SEC MW-2, about 9 feet deep

Thanks for the congratulations! I will do my best to coordinate and am looking forward to working directly with you and Joyce. Please understand I'm doing my best to work this out.

Hi Jackie

Congratulations on the promotion! I just wanted to give you the heads up that I will not have any operators available after this Saturday. Depending on what 'interim closure' plans get approved, I will coordinate accordingly, so this will only effect any sampling you need to get completed the require equipment.
